

Mother to Mother BiWeekly Newsletter 10-16-2009

Linda Meyer, Executive Director

Walk for Recovery

Before our board meeting this past Monday night we were presented with a check for \$1,448 from Steve Curran, Executive Director of Walk for Recovery-St. Louis www.walkforrecoverystl.org You can go to the website and see the totals from all participating organizations. There is also a You Tube video that shows what the day was like, rain included! Remember that we raised this money amount of money in two weeks and our goal was \$1000! The plan next year is to get started months ahead of time, looking at a goal of 5,000.

Write a Review for Mother to Mother

This week Mother to Mother was registered at www.greatnonprofits.org We will be adding more to our page soon. This website will give people the opportunity to write a review of the organization. An important benefit is that moms, families, volunteers, and donors can view comments and see the difference we are making in the lives of moms and families. If any of you have benefited from our services, or just want to say something about the work we do, please write a review. Your comments or testimonials may help us to secure future funding and support. Thanks for your support!

Wanted: Photographers

I am looking for a couple of people that might be interested in taking pictures for various events and functions throughout the year, we will use these photos for our website. You don't have to be a professional, but you must take better pictures than me! That won't be difficult! It seems that at the various events we get busy and never get around to taking pictures. Our main events are Mother's Day Luncheon, Trivia Night, and our new addition, Walk for Recovery. It would be nice to have specific people taking pictures. Please contact me by email linda@mothertomothersupport.org or at the office 314-644-7001. I look forward to hearing from some of you.

Support Group

We have regular meetings every other week with 3-5 moms in attendance, there will be a meeting today at 11:00 a.m. The next meeting will be Friday, Oct. 30, please remind moms that this is a free service provided along with telephone support.

Angela Borisch Staples, Director of Volunteers

Thank You!

Thank You to Jennifer Martin for stepping up to do another prenatal presentation! She's an old pro at this (but more help is always needed!).

Volunteer Opportunities:

** At this point we have three hospitals that are our standards for prenatal presentations - Barnes (downtown), Progress West (St. Charles), St. Anthony's (South County). I could really use more help at both Barnes and St. Anthony's. If you live/work near either (or like to drive) please consider helping. Remember, this is how we let pregnant women and their partners know about our services.

~ 10/17/09 ~ 3pm ~ St. Anthony's Hospital prenatal presentation

~ 10/20/09 ~ 10:45am ~ Barnes Hospital prenatal presentation

~ 11/1/09 ~ 3pm ~ St. Anthony's Hospital prenatal presentation

**If you have been interested in becoming a phone volunteer in the past, but were unable please

email/call me as soon as possible. Another training is being set up and we're trying to accommodate as many women as possible.
